

Heart full of *Love & Lust*

100 naughty nights for him and her!

MOODZZ has expanded its successful hearts series with the stimulating Heart full of Love & Lust. Each week, both partners can pick a task to surprise each other, uncover and get to know each other better. The tasks are tender, intimate and sometimes fiery. They lead to the pure passion that everyone desires.

The heart shaped box contains one hundred small paper rolls: fifty pink with tasks for her and fifty white with tasks for him. Thus, for almost a whole year, you can both pick an exciting challenge to enjoy a naughty night creating playful exploration in which both lovers receive all of the attention.

An example of a pink task (for the woman):

- *Rub massage oil on your breasts and tummy and use them to give his shoulders, back and buttocks a massage. In other words, give him a real body-to-body massage.*

An example of a white task (for the man):

- *Think of your partner's body as a delicious object of discovery and adventure. Let a feather, your fingertips, your nails, or the tip of your tongue follow every curve of her body.*

Heart full of Love & Lust encourages partners to take the initiative to treat each other and grow erotically even closer together.
